

CRUSH  
EXPLORER

Bring-a-long Activity Sheets  
for Pre-schoolers

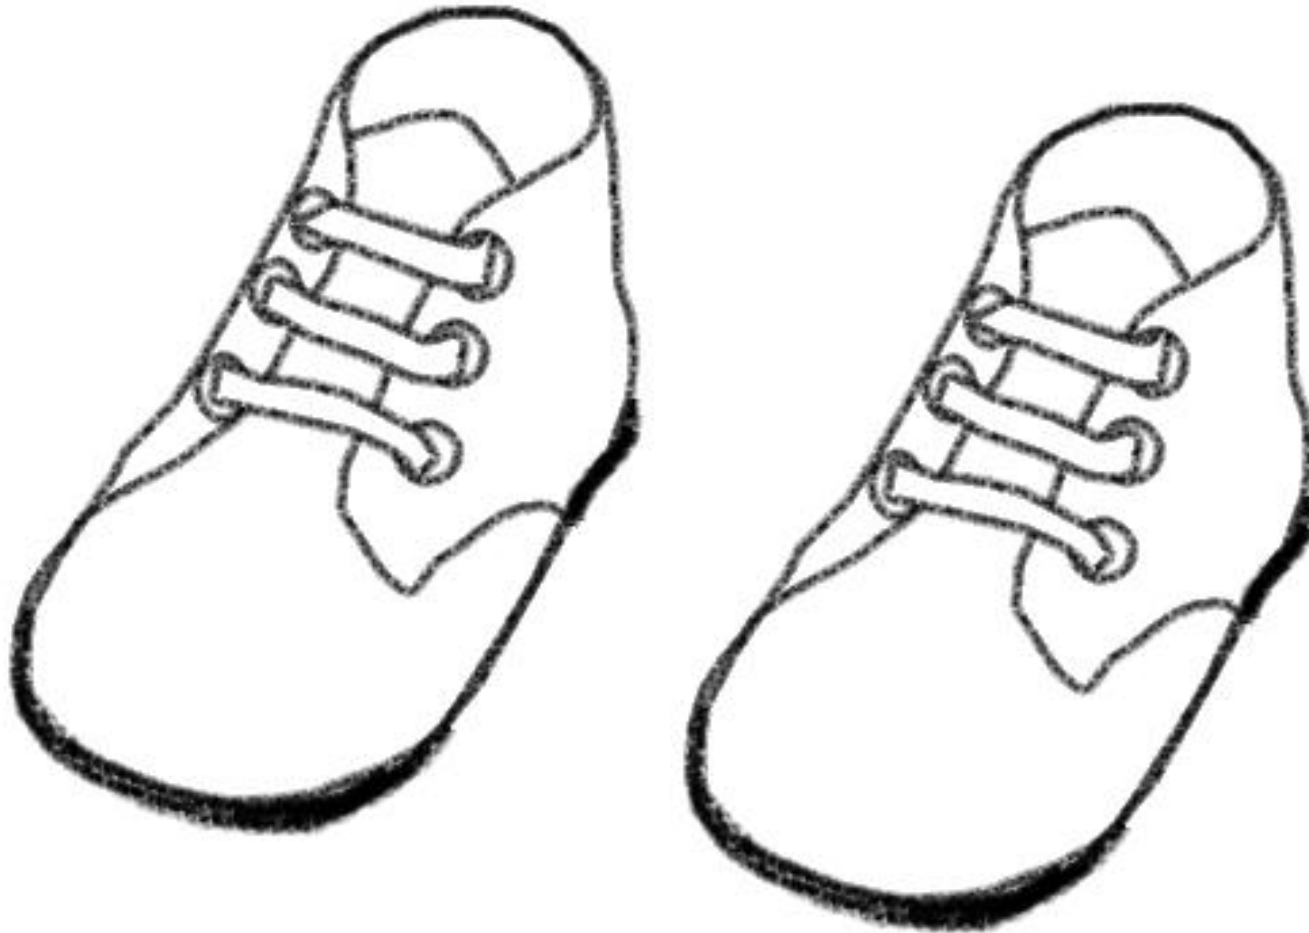

What are some fruits that grow on trees? Draw your favourite fruits on the trees. 😊

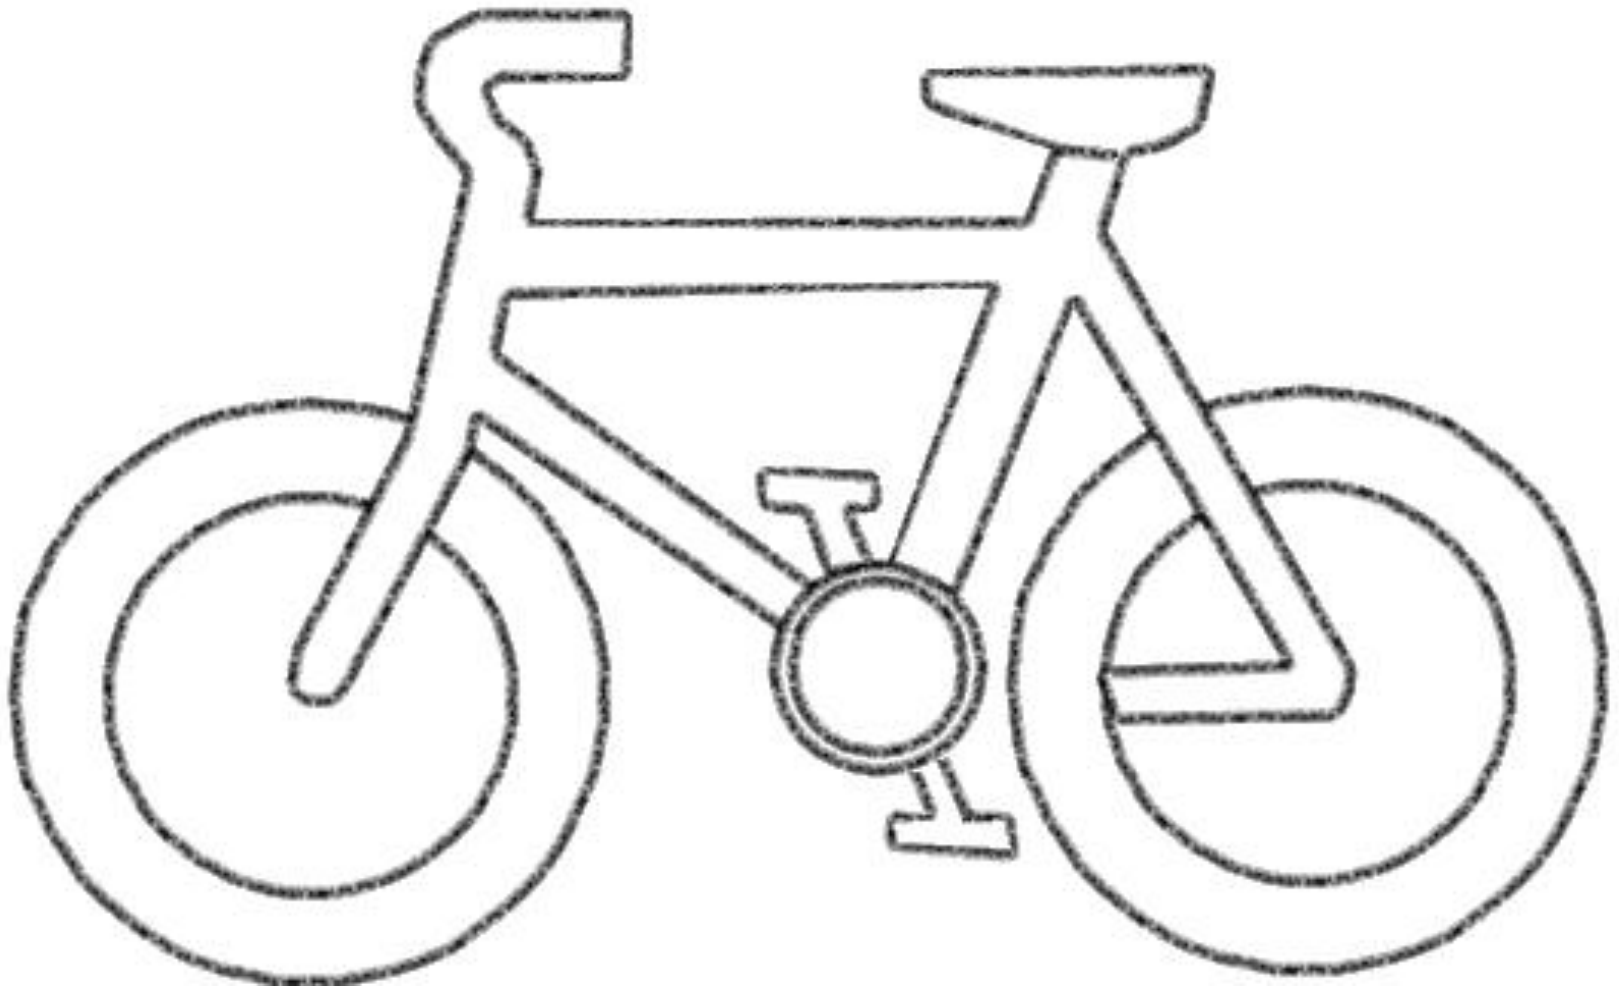

What are some of the things that you bring to school? Circle the items and colour them. 😊

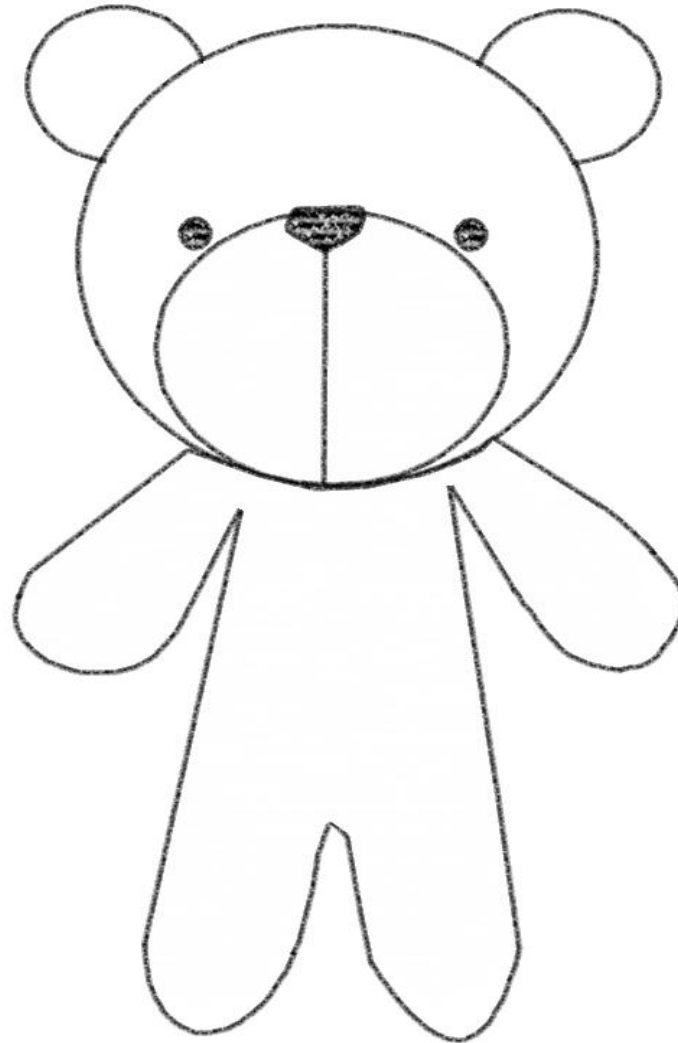

Where is your favourite place to go? How would you design your very own sneakers? 😊

How would you design this bicycle?

Apart from using colour pencils and crayons, what else can you use to design this bear?

What animal do you think this is? Could you add some of its features too? 😊
